FOUR PILLARS

BRAND STORY

Established in 2013 by three mates, Cam, Stu and Matt, Four Pillars Gin has grown to become Australia's number one craft spirit, 3x IWSC international gin producer of the year and is now exported to over 25 markets around the world.

Everything we do at Four Pillars is focused on making the most of the opportunity to make gin here in Australia, the most delicious place on Earth.

We created our original Rare Dry Gin on four pillars: stills, botanicals, water, and love. And the fifth pillar? Well that's always been you, our great mates and partners in the drinks trade.

Four Pillars Rare Dry Gin & Tonic

RTD

THE PERFECT G&T. NOW IN A CAN

Made using a hyper-concentrated version of Four Pillars Rare Dry Gin for extra botanical punch, bespoke tonic and extra fresh organic oranges to replicate a garnish, it's simple & delicious.

Australia's favourite G&T, ready to enjoy straight from the can.

ABV: 5.1%

Four Pillars Fresh Yuzu Gin & Soda

RTD

LIGHT & BRIGHT YUZU SODA HIGHBALL

Our first ready to drink can using soda rather than tonic as the mixer and it's a belter that's lower on the calories and one standard drink, without any shortage of super charged locally grown Yuzu flavour.

Four Pillars Fresh Yuzu Gin is bright, light, fresh, and best enjoyed in a Highball with soda. So we made just that in a can. We've also dialled up the yuzu flavour so it tastes like you've garnished your drink with a slice of fresh citrusy yuzu.

ABV: 5.1%

Four Pillars Bloody Shiraz Gin & Tonic

SWEET FRUIT, LEMON CITRUS, BLOODY DELICIOUS

Our Bloody Shiraz gin & tonic is ready to drink for people who prefer flavour above all else.

Made with hyper concentrated Bloody Shiraz gin, bespoke tonic crafted from scratch to complement the natural sweetness and spice, plus added lemon so it tastes like you've garnished your G&T with a slice of fresh lemon already.

ABV: 5.1%

Four Pillars Navy Strength Gin & Ginger
